Call for Applications for the Scientific and Editorial Committee of Management & Economics Research Journal

We are pleased to announce that Journal Management & Economics Research, a renowned indexed scientific journal, is seeking high-level researchers and academics to join its scientific and editorial committee.

We are seeking researchers and academics with expertise in one of these areas to join our scientific and editorial committee.

Members of the scientific and editorial committee of Journal Management & Economics Research will be responsible for:

Reviewing manuscripts submitted to the journal and assessing their scientific quality.

Advising the editors-in-chief on issues related to the editorial policy of the journal.

Contributing to the promotion of the journal within the scientific community.

We are looking for candidates with the following qualifications:

- *Recognized expertise in one of the research areas of the journal.*
- *Significant experience of publication in high-level scientific journals.*
- *In-depth knowledge of editorial policy and scientific publishing standards.*

Interested candidates are invited to send their CV and a letter of motivation to [merjournal17@gmail.com]. We encourage applications from both national and international researchers and academics.

We look forward to receiving your applications and welcoming qualified researchers and academics to our scientific and editorial committee.
