OCEANOGRAPHIA JOURNAL

ISSN [2992-1848]

ABOUT THE JOURNAL

The peer reviewed *Oceanographia Journal* is the official publication of the Laboratory Management and Valorization of Agricultural and Aquatic Ecosystems. Natural and Life Sciences Institute. University Center of Tipaza, Algeria.

AIM AND SCOPE

Oceanographia Journal publishes scientific articles: Original research papers; Review articles; Short communications; Commentaries; Perspectives and Special issues on marine research.

Published manuscripts can contribute to, but are not limited to: Physical, chemical and biological oceanography; Marine ecology and environment; Marine pollution; Biomonitoring of contaminants (bioaccumulation, bioconcentration, biomagnification, etc.); Regional and local knowledge of biodiversity and marine bioresources; Aquaculture; Marine geosciences (Coastal risk and vulnerability, Marine geochemistry); Ecotoxicology and risk assessment; Regional and local knowledge in coastal management; Socio-economic impacts of maritime activities; Marine management and conservation (integrated coastal zone management, maritime spatial planning, blue economy, conservation of marine protected areas, maritime governance); Operational oceanography (investigation tools in the marine environment, *e.g.*, remote sensing, GIS, artificial intelligence, etc.).

STATEMENT OF EDITORIAL AND PUBLICATION POLICIES

- All submitted manuscript will be checked at least twice before peer-reviewing and before publishing to prevent any plagiarism. Any proven fraud or duplicated submission will result in rejection.
- The publisher will not be held legally responsible should there be any claims for compensation.
- The article will be published online after receipt of the corrected proofs. This is the official first publication citable. After release of the printed version, the paper can also be cited by issue and page numbers.
- Manuscript submissions should not have been published or simultaneously submitted elsewhere.
- The Managing Editor's judgment is final with regard to suitability of submissions.

PREPARATION OF MANUSCRIPT

- Please prepare your manuscript following the guidelines
- The manuscript should be in English. Spelling and should be in American English or British English.
- The manuscript should include the following sections
- Title should be concise and informative

- The manuscript should contain the following section
  - Abstract (250-350 words)
  - Keywords (7 maximum word that are not present in the title)
  - Introduction
  - Material and methods
  - Results and discussion
  - Conclusion
  - Acknowledgments
  - References

- Special symbols should be avoided.
- Technical terms and abbreviations should be defined the first time they appear in the text.
- International signs and symbols for units (SI units) should be used in the manuscript.

REFERENCES

- References should be cited in the text as follows Smith (1998), Smith and Smith (1999) or Smith *et al.* (2006), or in parenthesis (Smith, 1998) for single author, as (Smith and Miller, 1999) for two authors, and as (Smith *et al.*, 2006) for three or more authors. More than one reference from the same author(s) in the same year must be identified by the letters "a", "b", "c", etc., placed after the year of publication.
- There are no stringent guidelines for reference formatting upon submission to this journal.

ILLUSTRATION

- Use the table function, not spreadsheets, to make tables. All tables and figures are to be numbered using Arabic numerals. All figures and tables must have a caption, Centre justified in 11 pt. Times New Roman. Captions precede tables and follow figures.
- Illustration in the text should be cited in the text in consecutive numerical order as follow (Figure 1, Table 1, Figures 1–3; Tables 1–3).

SUBMISSION

- All manuscripts *for Oceanographia Journal* should be submitted online via the submission link of ASJP platform.
- While submitting the manuscript, the authors have to propose the names of three to four potential reviewers with their mail addresses.
- The cover letter have to include the following statement
    - All authors agree to the submissions of the manuscript and the corresponding author has been authorized by co-authors.

- This article has not been published before and is not under consideration for publication elsewhere.
- This article does not violate copyright or other personal proprietary right of any person or entity.

PAPER LENGTH AND PAGE CHARGES

- Papers must be concise and well written. While there are no specific word limits, the average article contains approximately 9,000 words. Longer papers may be considered if the information justifies the length.
- There are no page charges to publish in this journal.

PUBLICATION

- Once the editor accepts the manuscript, proof will be sent to the authors for checking before publication.
- The paper will be immediately published in the website of the journal once the corrections to the proof are received.
