
Charter of Ethics and Deontology of « ADVANCED RESEARCH IN ECONOMICS AND BUSINESS STRATEGY JOURNAL »

"ADVANCED RESEARCH IN ECONOMICS AND BUSINESS STRATEGY JOURNAL» aspires to publish original and quality contributions in its areas of specialization. Therefore, it requires authors and reviewers of its scientific committee, to fully meet the requirements of this charter of ethics, inspired from the "*Committee on Publication Ethics*", which promotes scientific research and intellectual production. In addition, "ADVANCED RESEARCH IN ECONOMICS AND BUSINESS STRATEGY JOURNAL ", undertakes to respect its commitment to authors and reviewers and to guarantee their rights and propagate their work.

1. Duties of the Publisher:

- **ADVANCED RESEARCH IN ECONOMICS AND BUSINESS STRATEGY JOURNAL** is committed, through its editorial board, to ensuring complete integrity and transparency in the receipt and processing of article submissions, regardless of gender, nationality, religious beliefs or the political orientations of the authors.
- The **ADVANCED RESEARCH IN ECONOMICS AND BUSINESS STRATEGY JOURNAL**, through its editorial board, undertakes to guarantee the anonymity of the authors during the review process, as well as that of the reviewers in front of the authors.
- The drafting committee undertakes to inform the authors of the acceptance or rejection of their proposal, and to provide, where appropriate, the publication promises (after favorable agreement of the experts) and the publication certificates after the finalization and publication of the journal number.

2. Duties of Reviewers:

- Reviewers are subject to adopt objectivity and scientific rigor against articles that are offered to them, apart from any personal considerations.
- Reviewers undertake to carry out a thorough verification as to the originality of the articles proposed to them, and to verify the respect of the rules of scientific ethics. Also ; they undertake to inform the director of the magazine or the head of the editorial committee of any case of proven plagiarism and to provide evidence thereof.
- If the reviewers have identified in one way or another the authors of the contributions submitted to them, they must inform the editorial board and not proceed with the assessment.
