Editorial

Since its foundation in 1986, the Annals of the University of Algiers 1 has sought to promote scientific research by publishing rigorous scientific research and studies that adhere to sound scientific methodology, in line with its mission and to achieve its objectives of making the journal a scientific reference and a platform for the exchange of ideas and scientific expertise among specialized professors and researchers.

The scientific journal is pleased, with the publication of Volume 40, Issue 3, to present to its readers a collection of valuable articles and research papers in the fields of legal and political sciences, Sharia and law, as well as media and communication.

In this regard, we would like to extend our sincere thanks and appreciation to all those who contributed to the achievement of this issue, including authors, reviewers and editorial staff, and we hope that its content will meet your expectations.

Professor Faiza MEDAFER

Editor-in-Chief
