Instructions for Authors

The Journal of Economics and Sustainable Development welcomes original research papers that contribute to the advancement of knowledge in economics, commerce, and management sciences. Authors are requested to comply with the following submission guidelines:

- Submitted manuscripts must be original and must not have been previously published or submitted for publication elsewhere. Authors are required to provide a written declaration confirming the originality of their work.
- Once a manuscript has been accepted by the Journal's Scientific Committee, it may not be published elsewhere without prior written permission from both the Journal Director and the Editor-in-Chief.
- Authors should support their research with adequate and relevant references, which must be listed at the end of the manuscript.
- Each author will receive one printed copy and one electronic copy of the journal issue.
- All submitted manuscripts undergo a rigorous peer-review process conducted by qualified reviewers. Authors will be informed of the review results and any recommended revisions as soon as all reviewers' reports have been received.
- Submitted manuscripts will not be returned to the authors, regardless of whether they are accepted for publication.
- The opinions expressed in published articles are solely those of the authors and do not necessarily reflect the views of the journal.

All manuscripts and correspondence should be submitted via e-mail:

journal.esd@univ-eloued.dz

Publication Language

The journal publishes **research papers exclusively in English.**

Manuscript Preparation Guidelines

- Manuscripts should be concise and should contain between **10 and 20 pages**, including references, tables, figures, and appendices.
- The author's name, institutional affiliation, academic position, correspondence address, telephone number, fax number (if applicable), and e-mail address should be provided on a separate cover page. In the case of multiple authors, correspondence will be conducted with the first-listed author unless otherwise specified.
- Each manuscript must include an abstract in the language of the manuscript and another in a second language. Each abstract should not exceed **150 words**. The title of the paper must also be provided in both languages.
- Manuscripts should be prepared on **A4 paper**, using **Times New Roman, 12-point font**.
- Figures, charts, and illustrations should be incorporated into the text, numbered consecutively, and accompanied by appropriate captions and explanatory notes placed below each figure.
- References should follow the **APA referencing style** and appear at the end of the manuscript. References written in Latin script should be presented in **10-point font**.
- Authors must prepare their manuscripts using the official journal template available at:
