▪ *Editorial Introduction*

"Mina Review for Economic Studies (MRES)" is a biannual, peer-reviewed international scientific journal (January-June), open access. Published by the Faculty of Economic, Commercial and Management Sciences of the University of Relizane (Algeria), its first issue appeared in January 2018. It deals in particular with research, studies and international or national economic issues.

"Mina Review for Economic Studies MRES" receives all scientific articles in the three languages, whether in Arabic, English and French, from academics and researchers in different fields of economics, capable of providing added scientific value, respecting the principles of scientific writing.

The scientific journal is published in print and electronic edition (pISSN: 2661-717X and eISSN 2716-8921).
