Editorial: Volume 6, Issue 1 of Advanced Research in Economics and Business Strategy Journal

Volume 6, Issue 1, June 2025

As Editor-in-Chief, I am pleased to present Volume 6, Issue 1 of the *Advanced Research In Economics and Business Strategy Journal*. This edition showcases cutting-edge research from scholars across 12 countries, reflecting our commitment to global perspectives in economics and strategic management. The diverse contributions span digital governance, sustainable finance, leadership dynamics, and emerging market challenges, underscoring the journal's role in bridging theory and practice.

This collection advances critical dialogues on sustainable development, technological disruption, and institutional resilience. I extend gratitude to our authors, reviewers, and editorial team for their rigor in curating knowledge with global relevance. We invite continued engagement from scholars and practitioners alike.
