Terms and conditions of publication:

The Journal of Journal of Economics and Rural Development JERD publishes scientific articles that are concerned with the fields of economics, commerce, accounting, marketing and management, and are published in Arabic, French and English, with the need to respect the following conditions:

1- The research submitted for publication in this journal must not have been published or submitted for publication in other journals or periodicals, or submitted and published in forums, conferences or symposia.

2- Commitment to scientific analysis and adherence to generally accepted scientific and methodological conditions.

3- Writing on the first page the title of the article in Arabic and English, the name, title, degree, institution of affiliation, and e-mail, and the abstract in two languages.

4- The research shall be accompanied by two abstracts; One of them is in the language of the research and the second is in English and obligatory within 100 words attached to the keywords.

5- Scientific sources are indicated in the body of the article in parentheses, and the references at the end of the article using the American Psychological Association's method of citing references (APA Style).

6- The artical should be supported by original references, particularly for ideas, judgments, definitions, models, theories, results of previous studies, data sources, and figures.

7- Edit the article in Microsoft Word in SimplifiedArabic font size 13, line spacing 1. Page size A4 (length 29.7 cm, width 21 cm) with margins framing in En miroire format by clicking on Mise en page and then Marges.

8- The article should not exceed 25 pages and not less than 12 pages, including figures, tables and references.

9- Pages are numbered in the middle at the bottom of the page.

10- The article should be free from punctuation, grammatical, and spelling errors.

All articles sent to the journal are subject to evaluation by the members of the scientific committee of the journal, and the researcher is notified electronically of the evaluation result through his account in the Algerian Scientific Journal Platform The researcher must comply fully with what is stated in the author's guide and the author's instructions on the journal's account at (ASJP):..... Pledges are sent via e-mail signed by researchers via mail In addition to any inquiries, Journaleconomics14000@gmail.com

11- Articles are sent exclusively through the journal account on ASJP

is not responsible for scientific thefts, and what is contained in the articles is an expression of the opinion of its owners and does not represent the point of view of the magazine's management or the issuer represented by the Shallala Palace annex at Ibn Khaldoun University Tiaret.
